PENDOLINO

AUSTRALIA'S ONLY 2019
QUINATRELLI WINE DINNER

Undoubtedly one of the world's most esteemed wineries, The Restaurant Pendolino is honoured to host Quintarelli's one and only Australian Wine Dinner for 2019.

Residing on a family estate in the heart of the Valpolicella wine region in Verona, Quintarelli is unlike any other winery in the world. Its international acclaim is thanks largely to the late Bepi Quintarelli – the Godfather of Amarone and a true alchemist in winemaking, whose commitment to quality over quantity has ensured Quintarelli wines are some of the world's most sought after.

Hosted in conjunction with Quintarelli's exclusive Australian importer, Enoteca Sydney, this Wine Dinner will profile a number of its most celebrated drops – all of which are now commercially unavailable for purchase.

Wednesday, 7 August | 7pm | \$450pp | [View the menu here.](#)
